Placement cell in our college plays an important role in making our UG and PG students placement ready. The cell provides training for our students in career perspectives. Pre-placement training programs are provided for the students which helps them to find better jobs in good companies.

Activities like Group discussion, debate, product launch etc. are often conducted by the placement department along with the curriculum. Our students are placed in good MNCs like Infosys, Capgemini, Wipro etc.

Our alumni Mr.Nikhil kumar H, Technical Process specialist visited our college and gave a career counseling session in “Career opportunities in MNC companies for the final year students on 11.October 2019. Our students got very good insights about career and placement opportunities in MNC companies.
