Orientation programmes are aimed at familiarizing the students to an unknown campus environment, its faculties and infrastructure. It enables them to make essential connection with studies and develop network among other peers. The Vishwa Chethana degree college, Anekal has conducted orientation programmes on 1/06/2017 to all the NSS Students. The session had begun with lightening the lamp by the respected principal Mr. Prakash reddy. During the session the students were given the knowledge about NSS programmes to be taken place by the college and its activities. The opportunity was also given to the students to share their experiences through this activity. It was realised that NSS helped the students to grow individually and also as a group. It made the students confident, develop leadership skills, and gain knowledge about different people from different walks of life. Students also learnt other skills that help them lead a better life in various situations. The management was happy to get positive and enthusiastic work done by the NSS Students. The session has been ended by proposing vote of thanks to all the NSS participants and organisers.

The main purpose of a good orientation session in a college is to bridge the gap between the professors and the students, ensuring a smooth communication between the two. Orientation is the time to get acquainted with college campus and how life is going to be like. As a part of the academic activity on 08/01/2020 orientation programme has been taken place to all the new students by the management of Vishwa Chethana Degree College, Anekal.

All the new students were given a grand welcome by the seniors and the management. The session has begun with lightening the lamp and the words of welcome to the students. The session was followed by inspiring speech given by our respected principal Mr. Prakash Reddy and trust member Mrs. Sridevi Prakash. The professors were also given an introduction about college campus and its vision and mission and objectives to shape the student's future. The students were given information about career and other opportunities to showcase their skills. The students were also provided with delicious food on the day. The programme ended by expressing gratitude towards the participants and the management
