

3.3.1 Extension activities are carried out in the neighbourhood community, sensitizing students to Social issues, for their holistic development, and impact thereof during last five years.

Report on Extension Activities.

Extension activities are an integral part of the education at Vishwa Chethana Degree College. The College organizes extension activities in the neighborhood community that sensitizes students towards community issues.

A brief description of some of the extension activities are:

1. NSS
2. Blood Camp
3. Pulse polio Immunization Programme.
4. Save the Trees and Environment.

NSS: National Service Scheme is a central Sector scheme of Government of India.. This Scheme provides opportunity to the students to participate in various extensional activities. NSS Students will get recognition in the society for taking a part in various government community Services. The Vishwa Chethana Degree College has conducted many NSS activities, Under the Scheme of Swachh Gramina Abhiyana. Some of the NSS activities which were conducted, Cleaning Programmes at many villages in Anekal. Celebration of National Festivals like, Independence Day, Republic Day, Gandhi Jayanti etc. Students were positively involved in cleaning activity, Health awareness and Proper conservation of Food and Awareness on Waste Management.

Blood Donation Camp: A great initiative of organizing Blood Donation camp was taken by Vishwa Chethana Degree College with the unit of Narayana Hrudayala on 2019 in the college campus by the NSS unit 1 of the College. All the students along with the professors and Management were seen to take greater initiatives. The camp started from 10.30 morning followed by short speech of the principal. A group of 2 Doctors and 2 nurses who were from Narayana Hrudayala. Who were donated the blood, given refreshments to re-energize and they felt happy with their small contribution which helps to the needy people.

Pulse Polio Immunization Programme: Children in the age group of 0-5 administered polio drops during National and Sub national immunization rounds. Vishwa Chethana Degree College NSS volunteers are always involved in good causes, among that one was Pulse polio Immunization Programme. NSS volunteers took a great part to take the initiative of pulse polio vaccination at Anekal, Government Hospital for the benefit of Village people who had Children from the age 0-5. They were utilized this opportunity of pulse polio. NSS volunteers took a small part to protect vulnerable children against the virus.

Save the Trees and Environment: Environment is no one's property to destroy, its everyone's responsibility to protect. Every year on October, 2 Forest Department Bangalore organizes National level Programme on Environment. From the year 2018-2021 College has recognized for planting and saving trees, College has awarded as Parisara Award. On October 2 2019 from the College 100 Students and 10 teachers participated to the programme "Save the Trees and Environment" conducted by Range Forest Department Bangalore. By this activity Students were encouraging and they gave awareness to the people that we depends on the nature but not the Nature on us so if we harm to the trees it will be reflect on us.
